Below are translations to the above sentences into English:

(Minion) "This is the best gift ever!" - This is probably the most common phrase repeated in "Despicable Me"; used in almost every scene in which Minions are featured. (Minion) "I will do everything in my power to destroy the world!" - This is spoken by the Minion who becomes ecstatic after he becomes a Super Villain. (Minion) "I want to paint the world black!" - This is something that also comes up frequently in the movie series. It's used when someone tries to capture or kill Minions, and they are outraged at this idea. (Minion) "I love you." - This was uttered by both an adult Minion who says it to Gru, and also by a child Minion who says it to Minions he knew growing up. (Minion) "My new boss is better than yours. He has a laser!" - This is said by a Minion during the scene where the Minions sing about their new boss. (Minion) "Fly, my pretties! Fly!" - This is also spoken by the Minion who becomes ecstatic after he becomes a Super Villain. His associates are birds, and he likes to command his minions to "fly" as a way to keep them busy. (Minion) "I'm going to be sick." - This shows up repeatedly in the movie as well. It's usually used when something despicable occurs that causes a Minion to become upset or displeased.
